To buy and download apps, go to the Mac App Store. Our new M1 Prepaid app allows you to manage your M Card account conveniently, further. Select the following in 5 languages: English, Mandarin, Bahasa, Tamil and Bengali. Managing your M-card account has never been easier! Use the application to• Check the base balance, card expiration and data usage information• Add-on card• Purchase data, roaming packages, extension and more• Manage network settings• Send the latest campaigns in your inbox 18.12.2020 Version 5.0.0 Not sure if it was an error or something, but I bought a data package for 1gb for 3 days and I have continued to check the balance of my data that the app retained, saying I have not used it. So I decided to trust the app and keep using (otherwise wasted), then suddenly get a message saying that my data is almost being used and if I continue to use it I might have to pay??? But the app itself said that I used data is 0mb! please help Hi Xin Mian, allows us to share a different prepaid wallet use deduction. Drop us from the PM to us via Facebook Messenger us to check further. Thanks - Sam I bought a data package of 300MB for 30 days, but when I check my data balance it always stuck to 0MB pls to help fix this error is really hard to manage my usage. Pls fix this quickEdit: hi k tried a refreshing page and it does not work pls fix it is very I convinced and idk how much data I have used Hi fix bugss pls, we can trouble you deal with us us look forward to it. In the blue bubble, type Chat agent. Live Chat available from 9:00 to 21:00 daily. - Sam Useful application, but it is necessary to open the application if you want to see the balance of price, data and promotion. The recommendation to add a widget to see the balance of price, data and promotion then we can easily find out about our balances. The second is the notification, the current version did not support notifications to users! Thanks to the & Keep it up on the M1 中国+ Hello Ln Hãt, thanks for such an awesome review and feedback on our M1 Prepaid App! This will help us make efforts to improve services. Have a nice day! – Mel Developer M1 Limited has stated that the app's privacy practices may include the handling of the data described below. For more information, see the developer privacy policy. The developer does not collect data from this application. For example, privacy practices may differ from the features you use or your age. Learn more about the App Support Privacy Policy Earn 23 bonus points of \$23.00/2300 Redeem Points * Up-Up is not available between 11:00 and 12:00 and that will be processed after 12pm further.* 8 Digit Singapore Mobile Number Mobile number holder will receive confirmation via SMS to inform you that the top-up was successful after the payment is successful. * No refund wrong number provided * \$23 M Card ETop-Up discounts apply to all M Card customers. The \$23 M Card ETop-Up allows terms for customers to enjoy 350MB of local data, a \$12 bonus, 120 minutes of local outgoing call time (\$18 @ \$0.15/min), 500 local SMS and 50 days of free incoming calls.
